

NEW SEASON'S GOODS Fast Coming In.

We've put winter behind us. The different Departments of the Store are beginning to bloom with the freshness of Spring.

Tailor-Made Coat Suits.

The first great thought that guided us in our Coat Suit buying was to secure the newest and best. The next to so price them that they meet with our public's unqualified approval. How well it will be demonstrated when you come to put your ideas against ours. If your verdict is favorable, then we will know that we're right. The newest styles in make-up and materials of Ready-to-Wear Coat Suits at \$15.00, \$17.50, \$20.00 and \$22.50.

Shirt Waists.

Shirt Waists making is reduced to a fine art. The style, the fit, the finish, and most of the price, modesty of these fresh lots, leaves little to be desired but possession.

Wash Waists..... 50c., \$1.00, \$1.50, \$2.00
Lawn Waists..... \$1.00, \$2.00, \$3.00, \$5.00
Linen Waists..... \$2.00, \$2.50, \$3.50, \$5.00

Separate Skirts.

Just so long as Shirt Waists remain popular, just as long will the separate skirt be in evidence. The combination is a strong one, a good one, and from an economic, time-saving and work standpoint, it's not open to argument. Tailor-Made Skirts, with strap seams, tabs and button trimmed, full flare, in Newest Walking and Dress Styles—\$6.00, \$7.50, \$10, \$12.50. When such variety exists, impossible to exploit in in minutes and detail. State as near as possible your wants and we will supply your needs.
